Dear Commissioners:

I have reviewed the Chinese American Citizens Alliance Greater San Gabriel Valley proposed redistricting of the 49th and 60th State Assembly Districts, the 29th State Senate District, and the 32nd United States Congressional District.

I support this plan because it achieves the Supreme Court mandated goals and the priorities of the California Citizens Redistricting Commission. In particular this plan achieves the ideal target population value for each district with a 0% deviation. In addition, the 49th and 60th Assembly Districts form the 29th State Senate District. The 32nd U.S. Congressional District is derived from the 29th State Senate District by dropping El Monte and Chino Hills. These districts are nested in relation to each other.

This redistricting plan makes sense. It will give Asian Americans the voice historically denied to them. I thank you for your favorable consideration of this plan.

Sincerely,

Mike Ten

Mr. Chairman,
Citizens Redistricting Commission
1130 K Street, Suite 101
Sacramento, CA 95814

Dear Mr. Chairman and Members of the Commission,

As the Mayor of the City of Monterey Park, the City with the largest percentage of Asian residents and with four/fifths of its City Council Members Asians, I strongly support the Redistricting Plan for State Assembly districts 49 and 60, State Senate District 29 and U. S. Congressional District 32 as proposed by the Chinese American Citizens Alliance, Greater San Gabriel Lodge.

This plan will enable Asian Americans, who historically have had their voices muted in the political process, to have effective and fair representation with an opportunity to elect State and Federal representatives of their choice.

This plan meets each of the redistricting criteria set forth by the California Citizens Redistricting Commission; achieves each of the Supreme Court mandated goals; complies with the equal population requirements of the U. S. Constitution; and decreases the election-related discrimination prohibited under the Federal Voting Rights Act.

The current districts do not meet all of these standards. Specifically, current splits in the cities' geography and divisions of the communities of interest promote discriminatory voting practices and procedures, three higher priority criteria of this Commission.

Most importantly, this plan is fair, protects language minority status and includes communities of interest reflective of the demographic changes, population movements and voter registration growth in the San Gabriel Valley area over the last ten years.

This proposed plan, unlike the existing districts, includes whole cities with large numbers of immigrant and non-immigrant Asian residents , employers and employees who share common and similar dietary needs, social and cultural events, retail needs, communication channels, protected language minority status, economic and investment interests and employment opportunities. Asian shopping centers and stores in these districts cater to the Asian residents and visitors. Specialties include Asian groceries, herbs, books, music, videos, and travel. Bi-lingual professional, socioeconomic and cultural services include medical, social welfare, therapy centers, travel agencies, employment agencies, cultural centers, dance studios, television and radio stations.

On behalf of the residents of the City of Monterey Park and the San Gabriel Valley cities, I respectfully request that this Commission protect the voting rights of the Asian American community and ensure equal representation by drawing district boundaries so that our neighboring cities and communities of common interest will be empowered to elect the State and Federal elected officials who affect our quality of life.

Dear Commission:

SUBJECT: SUPPORT FOR GREATER SAN GABRIEL VALLLEY CHINESE AMERICAN CITIZENS ALLIANCE REDISTRICTING PLAN FOR THE 49TH AND 60TH STATE ASSEMBLY DISTRICTS, 29TH STATE SENATE DISTRICT, AND 32ND UNITED STATES CONGRESSIONAL DISTRICT

Discrimination against Asians in America has a long shameful history. For the Chinese, there was the Chinese Exclusion Act of 1882. The needs of World War II encouraged its repeal in 1943. Yet the Chinese Exclusion Act continues today through gerrymandering of Asian American communities.

Asian American communities have been victims of willful, premeditated fragmentation for political purposes. This must change.

The Chinese American Citizens Alliance proposed redistricting of the 49th and the 60th State Assembly Districts, 29th State Senate District, and 32nd U.S. Congressional District would aggregate Asian American communities and give Asian Americans a voice. This is long overdue. These proposed districts conform to the Supreme Court and this Commission's goals. Of particular importance is that it meets the ideal district value with a 0% deviation. Also, the proposed districts are nested as the 49th and 60th Assembly Districts form the 29th State Senate District. The 32nd U.S. Congressional District is the 29th State Senate District with Chino Hills. El Monte, and some contiguous areas removed.

I support the Chinese American Citizens Alliance redistricting proposals. It is time for Asian Americans to have a voice in their government. Thank you for your favorable consideration.

Very truly yours,

John Y. Gee
