

San Diego (2009/02/09)

M/Chair,

I am Jim Wright, a voter from San Jose.

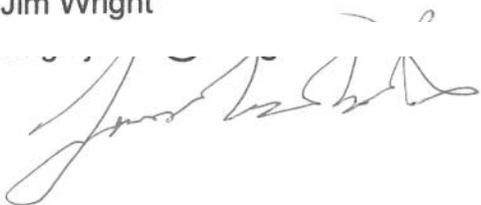

We are all certainly here because of our interest and curiosity about the Commission and the selection process. Are you perhaps interested in the other reasons why these folks have attended the meeting?

Here are some additional reasons:

1. Desire to be one of the three Qualified Independent Auditors.
2. Intention to apply to be a commissioner.
3. Wish to serve as staff to the commission.
4. Fostering and refining the selection process. That is, fleshing out the act through interpretation of its language.
5. Also, who attended the prior meeting in Sacramento on 26 January.

Might I suggest that you request a show of hands to see the relative strengths of these various categories?

Thanks,
Jim Wright
