**Subject:** RE: Appointments to the Commission

Sirs:

Thank you for printing a list of those who spoke on the yet to be made appointments to the Commission. I note that, as of this time 34 people voiced their concerns about the appointments. I also noted that of these 34 respondents 10, repeat, 10 of those spoke very forcefully about the under representation of Rural California.

I hope that the Commissioners take note of this oversight and correct it in the remaining appointments.

Thank you for your time,

Ken Babbitt
