Subject: M. Andre Parvenu

Dear Members of the Committee,

It gives me great pleasure to express and share my opinion of Andre Parvenu on his quest in fulfilling his aspiration to sit on the commission.

Andre, ever since his early years has been on the vanguard of, by and for the people. As a public servant he has stood fast on principle and purpose. His insight and spirit coupled with his knowledge, experience and energy is unparalleled.

I ask that you give the utmost consideration in his candidacy to be appointed to the commission.

Sincerely,

Keith Bailey
