Subject: Composition of redistricting commission

It really looks like we are going to end up with a very UNrepresentative commission. There is no one from the mountains, no one representing the lower San Joaquin valley -- I am from Tulare Co originally, and though I now live in Humboldt co (similarly unrepresented along with everything above Yolo and bay area!)) and the problems of the lower San Joaquin and sierra nevada (Tulare, Kings, Fresno, Inyo, Mono...) have little to do with the coastal areas. WOULD it be so hard to have a truly representative commission? POLitics is not everything. I would be equally happy with a Democrat or Republican or whatever--as long as they came from regions that are sadly unrepresented.
