Dear California State Auditor:

I have known Ms. Gina Simas since 2004 and I want to enthusiastically recommend her to serve on the Citizens Redistricting Commission. Time is long overdue for there to be a process as close to non-partisan as possible in drawing the lines to best represent the people of California.

Ms. Simas is quick and intelligent with boundless energy. As an attorney at a major firm she has been used to assimilating large amounts of information, working with people from all walks of life, and working long hours towards a specific goal.

Moreover, Gina really wants to serve the people of California. Her passion for this role comes out every day. I believe Ms. Simas would make an excellent commissioner.

Sincerely,
