**Subject:** California's Citizens' Redistricting Commission nominee

Dear Sir or Ma'am,

I am writing to strongly recommend that Gina Simas be selected as a commissioner on California's Citizens' Redistricting Commission. I am in the entertainment industry, and a resident of Valley Village, California. In the time that I have known Ms. Simas, on a personal level as well as a member of several organizations, I have found her to be extremely intelligent, competent, and dedicated to her work. I have seen her interact with many different people in many diverse lines of work, and she consistently displays graciousness, humor, and sincere personal interest in anyone she interacts with. I can confidently say, without any hesitation or reservations, that Ms. Simas would be a real asset and a strong member of the Commission, and should absolutely be selected for one of the positions.

Thank you,

Michael Thompson
