INSTRUCTIONS — SCHEDULE A-2

INVESTMENTS, INCOME, AND ASSETS OF BUSINESS ENTITIES/TRUSTS

Use Schedule A-2 to report investments in a business entity or trust (including a living trust) in which you, your spouse or registered domestic partner, or your dependent children had a 10% or greater interest, totaling \$2,000 or more, during the reporting period and which is located in, doing business in, planning to do business in, or which has done business during the previous two years in your agency's jurisdiction. (See Reference Pamphlet, page 12.) A trust located outside your agency's jurisdiction is reportable if it holds assets that are located in or doing business in the jurisdiction. You are not required to report a trust that contains no reportable interests. For example, if you have a trust containing only your personal residence, your savings account, and some municipal bonds, you would not report this trust because these interests are not reportable.

Also report on Schedule A-2 investments and real property held by that entity or trust if your pro rata share of the investment or real property interest was \$2,000 or more during the reporting period.

TO COMPLETE SCHEDULE A-2:

Part 1. Disclose the name and address of the business entity or trust. If you are reporting an interest in a business entity, check "Business Entity" and complete the box as follows:

- Provide a general description of the business activity of the entity.
- Check the box indicating the fair market value of your investment.
- If you initially acquired or entirely disposed of this interest during the reporting period, enter the date acquired or disposed.
- Identify the nature of your investment.
- Disclose the job title or business position you held with the entity, if any (for example, if you were a director, officer, partner, trustee, employee, or held any position of management).

Part 2. Check the box indicating **your pro rata** share of the **gross** income received **by** the business entity or trust. This amount includes your pro rata share of the **gross** income **from** the business entity or trust, as well as your community property interest in your spouse's or registered domestic partner's share. Gross income is the total amount of income before deducting expenses, losses, or taxes.

Part 3. Disclose the name of each source of income which is located in, doing business in, planning to do business in, or which has done business during the previous two years in your agency's jurisdiction, as follows:

- Disclose each source of income and outstanding loan **to the business entity or trust** identified in Part 1 if

your pro rata share of the **gross** income (including your community property interest in your spouse's or registered domestic partner's share) to the business entity or trust from that source was \$10,000 or more during the reporting period. (See Reference Pamphlet, page 10, for examples.) Income from governmental sources may be reportable if not considered salary. (See Regulation 18232.) Loans from commercial lending institutions made in the lender's regular course of business on terms available to members of the public without regard to your official status are not reportable.

- Disclose each individual or entity that was a source of commission income of \$10,000 or more during the reporting period through the business entity identified in Part 1. (See Reference Pamphlet, page 7, for an explanation of commission income.)

You may be required to disclose sources of income located outside your jurisdiction. For example, you may have a client who resides outside your jurisdiction who does business on a regular basis with you. Such a client, if a reportable source of \$10,000 or more, must be disclosed.

Leave Part 3 blank if you do not have any reportable \$10,000 sources of income to disclose. Adding phrases such as "various clients" or "not disclosing sources pursuant to attorney-client privilege" may trigger a request for an amendment to your statement. (See Reference Pamphlet, page 13, for details about privileged information.)

Part 4. Report any investments or interests in real property held **by the entity or trust** identified in Part 1 if your pro rata share of the interest held was \$2,000 or more during the reporting period.

- Check the applicable box identifying the interest held as real property or an investment.
- If investment, provide the name and description of the business entity.
- If real property, report the address or other precise location (for example, an assessor's parcel number).
- Check the box indicating the fair market value of your interest in the real property or investment. (Report the fair market value of the portion of your residence claimed as a tax deduction if you are utilizing your residence for business purposes.)
- Identify the nature of your interest.
- Enter the date acquired or disposed only if you initially acquired or entirely disposed of your interest in the property or investment during the reporting period.
