Citizens Redistricting Commission ***Seeks Technical Expert To Assist in Drawing District Boundries***

SACRAMENTO, CA (March 3, 2011)

The Citizens Redistricting Commission announced today that it intends to release an Invitation To Bid on March 7, 2011 for a contract to be awarded for technical expertise for drawing Legislative, Congressional and Board of Equalization districts.

The contract is specifically for census data processing and analysis, and the review, preparation, and presentation of redistricting maps and the required reports supporting each map for California's fifty-three (53) Congressional districts, forty (40) State Senatorial, eighty (80) State Assembly, and four (4) Board of Equalization districts. These functions must be performed in coordination with, and as specified by, the Citizen's Redistricting Commission, and must include staff support provided by the Contractor for public educational outreach meetings, Pubic Input Hearings, and computer support.

Follow the Commission on Twitter  and on Facebook at the California Citizens Redistricting Commission.

California's first Citizens Redistricting Commission is a new 14-member Commission charged with redrawing California's Senate, Assembly, State Board of Equalization, and Congressional districts based on information gathered during the 2010 census. The Commission must draw the State Senate, Assembly, State Board of Equalization, and Congressional districts in conformity with strict, nonpartisan rules designed to create districts of relatively equal population that will provide fair representation for all Californians.
