

Date 3/17/11

To California Redistricting Commission, 916-322-0904

From Chip Atkin, [REDACTED]

Re Appointment of Doug Johnson as consultant

I am opposed to the appointment of Doug Johnson as a consultant to the California redistricting commission. Doug Johnson is a registered Republican who has a pretty frightening history with conservative republican think tanks and with a redistricting effort in Arizona that is now being challenged in the courts for discriminating against Latinos.
