Dear Commissioners,

I am a resident of Simi Valley and have been for 44 years. I am familiar with the redistricting process and would like to make my comments known.

As it stands, Simi Valley, Moorpark, Thousand Oaks and Camarillo are all united under one district. I believe that it needs to stay this way. We share many of the same views and are located right next to one another. I don't want to see my community change and become separated.

Please consider my comments when redrawing the districts and keep these cities united.

Thank you,

Don Zeller
