Subject: Keep Calabasas where it is!

To: votersfirstact@crc.ca.gov

Hello,

As a resident of Calabasas I'm in favor of keeping Calabasas joined with Agoura Hills, Hidden Hills, West Hills, Malibu and Santa Monica.

Calabasas was incorporated as a city to specifically sever ties with the San Fernando Valley and focus on preserving the uniqueness of some of the most beautiful open space in the state. I do not want to see the Santa Monica Mountains put up for sale to developers. Therefore do not redistrict Calabasas with the Valley but leave well enough alone.
