To the Committee Members:

As residents of Studio City, we wish to express our concern for Studio City to remain in the State Senate's 23<sup>rd</sup> District.

Our community shares common interests with the adjacent communities of Sherman Oaks, Encino, Tarzana and Woodland Hills and others nearby.

We share linkage with the greater Westside through direct transportation routes. Both sides of the Santa Monica Mountains should be included in this Valley and greater Westside District.

We appreciate your addressing our concerns in this matter.

Sincerely yours,

Richard C. Carson
