Subject: support 11 & 20 !!!!
To: votersfirstact@crc.ca.gov

1. We are adults, and registered voters and residents of Siskiyou County. Prior to moving here 9 years ago, we lived in Chico, Butte County, for 28 years. We are familiar with the people, the economics, the interests, the values of the people in the Northern California area.
2. We support Props 11 & 20's objective to take redistricting out of the Legislature's hands to obtain fair and impartial redistricting without taking partisan politics into consideration.
3. We believe that Props 11 & 20 mean that representation of local jurisdictions (cities, counties and communities of common interest that aren't political subdivisions) is the top priority mandate of Props 11 & 20's goal of achieving such fair and impartial redistricting.
4. We do not share interests with the coastal or desert communities but rather share interests common to the agricultural areas along the I5 corridor (such as Shasta, Tehama, Butte, Yuba Counties).

5. We could potentially lose our representatives; being reduced to 1-2, which is totally inadequate and unfair.

Please hear our voices!! Thank you.
