Citizens Redistricting Commission
1130 K Street, Suite 101

Dear Mr. Barabba:

Per your request during the recent public input hearing in Long Beach, I am enclosing a map of our school district boundaries. Please note that this particular map also designates the enrollment areas of our major high schools.

An electronic version is available from our school district, but only in small PDF format, so you may find the enclosed oversized version to be the most useful.

If you need further information, please don't hesitate to contact us. Thank you again for the opportunity to provide the commission with our input.

Sincerely,

A handwritten signature in cursive script that reads 'Chris Eftychiou'.
