Subject: Redistricting for the Western San Fernando valley etc.
To: votersfirstact@crc.ca.gov

It is my sincere hope that the commission which I attended part of yesterday will strongly consider the following:

Keep the West San Fernando valley (405 being a natural dividing line) together with the cities of Hidden Hills, Calabasas, Agoura Hills, all the unincorporated areas within that geographical area together with the Santa Monica Mountains, Malibu, and Pacific Palisades. Also if the numbers are needed to include Westlake Village and Thousand Oaks
