

From: David W. Moore [REDACTED]
Subject: Keep Marin and Sonoma together

Message Body:

As a resident of Marin County, if possible, I prefer to have electoral districts to include Marin and Sonoma Counties. I strongly resent having my interests represented by someone in San Francisco. Much of my business is conducted in Sonoma County and none in San Francisco and I only go to the City infrequently. As part of your mission is to avoid Gerrymandering, I hope you will keep my thoughts in mind.
