Subject: 7th Congressional District

Message Body:

Just to let you know, that it really stinks being in the 7th congressional district. We in Vacaville are grouped in with the extremely liberal east bay folks. 30+ years is way to long for one man and one party to be the congressional representative for a district. This district is one of the many reason the people voted to place this in your capable hands. Please help Vacaville get out of George Miller's district!
