Subject: Imperial Valley its own state and congressional district.

Message Body:

Hi, Thank you for taking on the task of redistricting the state fairly. I wanted to suggest that with 100k inhabitant, Imperial County needs its own Congressman and State assemblyman. Both our State assemblyman and Congressman live and work at least 80 miles from where most of our population is. Most often than not, they have their own priorities in Cathedral City and Chula Vista and do not bother to "visit" Imperial County often. Our Congressman especially lives about 120 miles away. It is unfair for the citizens of Imperial County to be represented by people whom do not live anywhere near the area and most often than not put the interest of their resident area's in-front of the interest of Imperial Valley.

Thank you for your consideration on this matter and once again thank you for doing the hard work of redistricting.
