La Crescenta (zip code 91214) which includes both a section of the city of Glendale and an unincorporated area of Los Angeles County has been gerrymandered to such an extent that it has been difficult to know who represents any given part. Currently 3 different state Senators: Bob Huff of Walnut (District Number 29), Sharon Runner of Lancaster (District Number 17) and Carol Liu (District Number 21) of Glendale represent portions of the area. Likewise 3 different Assembly Members: Tim Donnelly of Hesperia (District Number 59), Cameron Smyth (District Number 38) of Santa Clarita and Mike Gatto of Burbank (District Number 43) are listed as representing this small area. (See <http://www.leginfo.ca.gov/cgi-bin/memberinfo>).

Santa Clarita (91355) is over thirty (30) miles from La Crescenta. Both Hesperia (92345) and Lancaster (93534) are separated from La Crescenta by the Angeles National Forest with Hesperia more than an hour and a half drive from La Crescenta at a distance of nearly eighty (80) miles.

Residents of the community of La Crescenta have much more in common with the surrounding communities of Glendale, Montrose, La Canada and Tujunga than with Walnut, Lancaster, Santa Clarita and Hesperia. Please make every effort to reunite us with our local, surrounding communities of Glendale and La Canada.

Thank you for your consideration,

Nicholas Winters
