Subject: Redistricting our Tri-Valley area
To: votersfirstact@crc.ca.gov

I am a member of the Tri-Valley Coalition and have been a Dublin resident for 39 years. I have seen our Tri-Valley area grow in size and be divided politically by gerrymandering during past redistricting. For example, the cities of Dublin, Pleasanton, Livermore, San Ramon and Danville are represented by **three** different congressional representatives: Stark, Garamendi and McNerney. My county supervisor was in Oakland (Nate Miley), while much of the rest of the area in Alameda County was represented by Scott Haggerty. These cities are a community of interest and have many similar concerns. It is important that we all work together to enhance the quality of life in our communities.

I served two terms on the Dublin Unified School Board and have been actively involved in my community. I have deep roots here and strong feelings for the Tri-Valley area. I respectfully request you consider our area as one community of interest when setting new boundaries. We have many wonderful things here in our area, but we also have numerous issues that can best be served by working together.

Sincerely,

Eileen Barr
