Subject: District 6

Message Body:

PLEASE do not consider merging Marin County with the San Francisco district. Marin (especially northern Marin) has a long history of connectedness with southern Sonoma County due to the numerous agricultural industries (such as dairy, poultry, wineries) - areas with unique concerns that a large city-oriented representative based in San Francisco could not fairly represent in Congress or Sacramento. Conversely, a representative from these agriculture-dominated areas could not be expected to also fairly represent the concerns of the city dwellers of San Francisco. KEEP DISTRICT 6 IN MARIN & SONOMA COUNTIES!!!
