

San Joaquin County Citizens for Constitutional Redistricting

Current Assembly, State Senate
and Congressional Districts:

San Joaquin County Citizens for Constitutional Redistricting

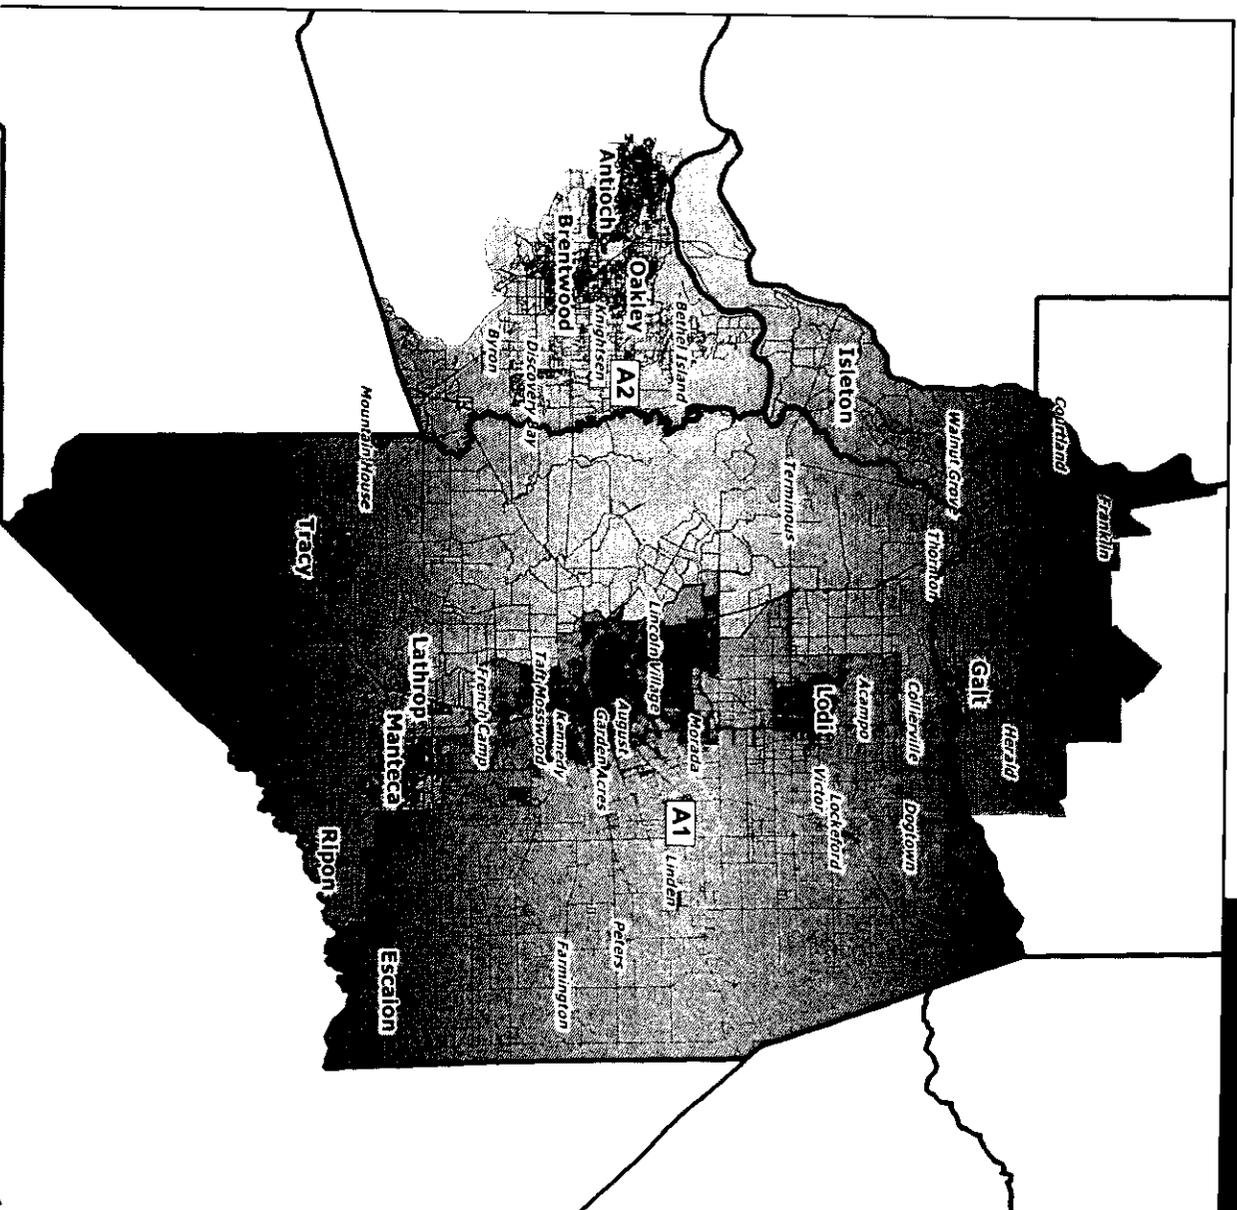

Our Approach

- Need to end 10 years of severe gerrymandering
- Focused on proposed districts for San Joaquin County
- Recognize districts must fit into statewide map
- Drew test districts for surrounding options to ensure “fit” with equal population, Voting Rights, City/County integrity, and other Commission criteria

San Joaquin County Citizens for Constitutional Redistricting

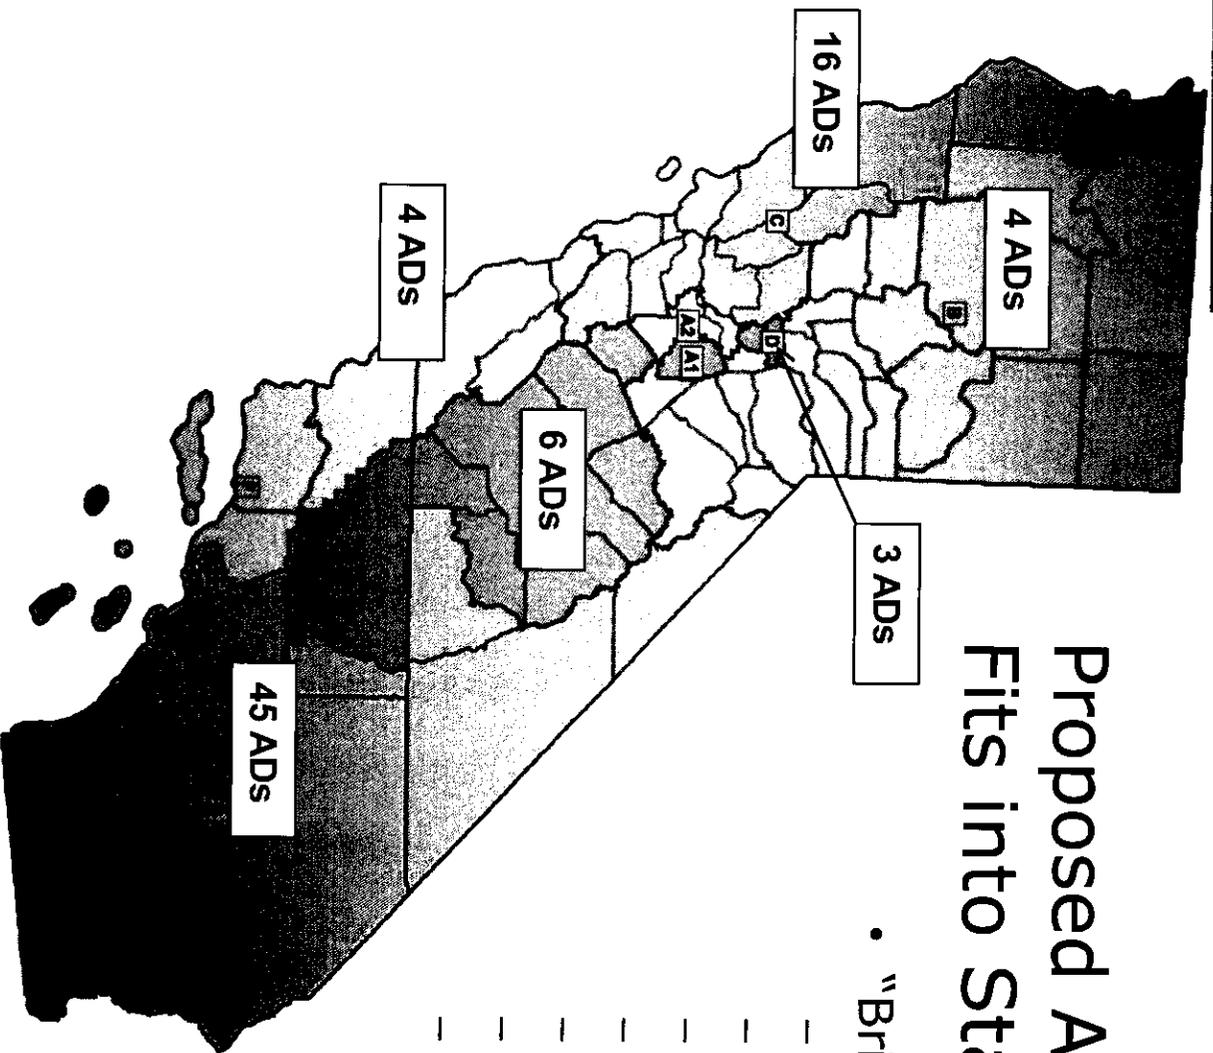

Assembly

- Allows two ADs completely in Sacramento County, plus portions of two more (including A2).
- Coastal region: Contra Costa is "bridge" to Central Valley. No other counties split from Santa Barbara County to Oregon.
- Latino voting strength in AD 17 increases and the district can be more compact with territory only in Merced and Stanislaus counties. AD 17 loses 'neck' into San Joaquin County.
- Remainder of Stanislaus combines with Amador / Calaveras / Tuolumne counties.
- A1 and A2 combine into one "nested" Senate district.
- Moving A2 out of Sacramento County would require splitting Pittsburg.

San Joaquin County Citizens for Constitutional Redistricting

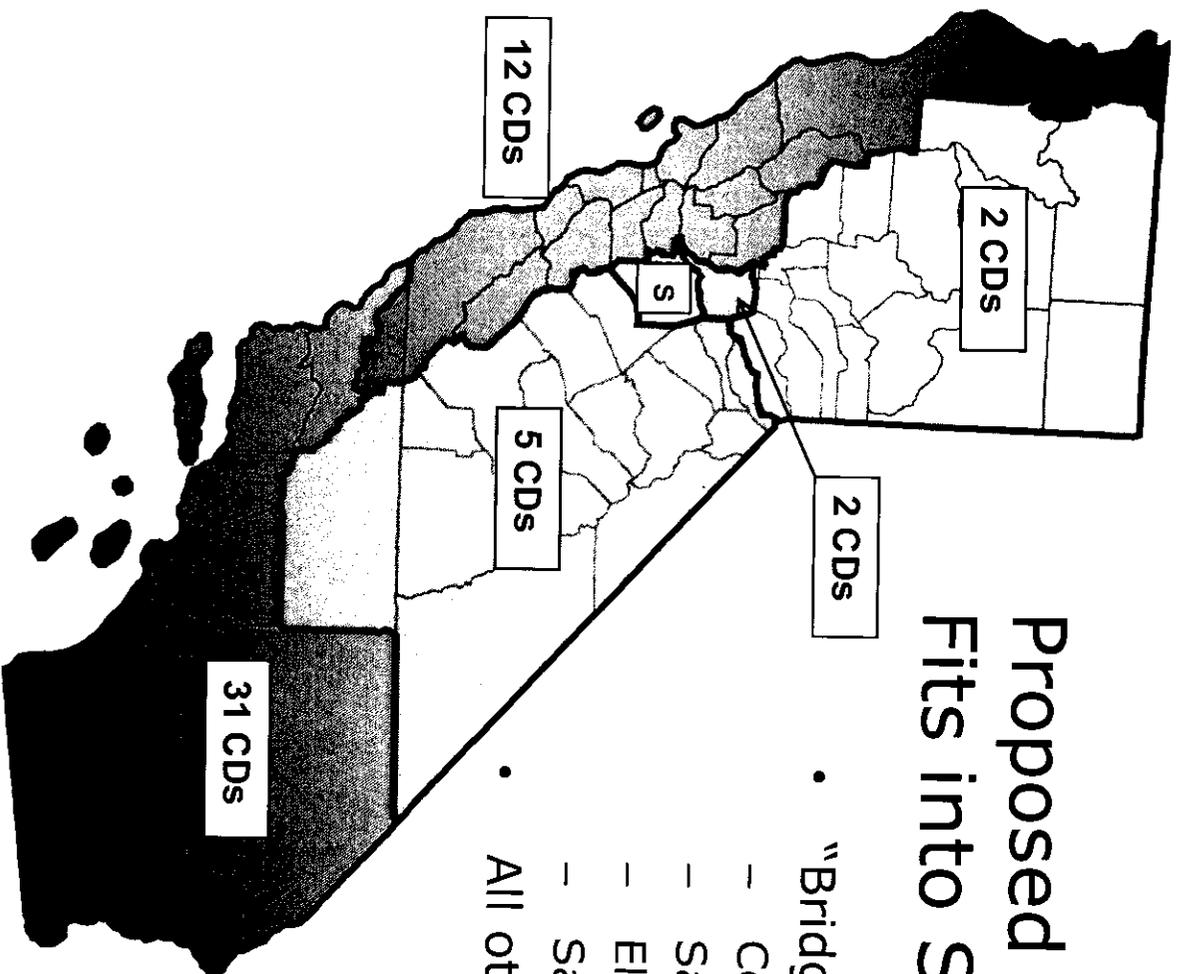

Proposed Assembly District Fits into Statewide Map

• “Bridge” counties between regions:

- Placer
- Sacramento
- Stanislaus
- Contra Costa
- Tulare
- Kern
- Ventura

San Joaquin County Citizens for Constitutional Redistricting

Proposed Congressional District Fits into Statewide Map

- "Bridge" counties between regions:
 - Contra Costa
 - San Luis Obispo
 - El Dorado
 - Sacramento
- All other county borders followed.

San Joaquin County Citizens for Constitutional Redistricting

Other Districts

- Drafted all districts or district "regions"
 - Specific LA and coastal districts not drawn, but regions are population balanced
- Improved Latino voting strength in local districts

Current District	Changes	Current		Proposed	
		Special Tabulation	ACS 5-year	Special Tabulation	ACS 5-year
CD18	Loses "Stockton Linger." More compact, more effective Merced/Madera/Fresno district Somewhat more compact, and more effective Bakersfield / Kings / Tulare district	34.19%	34.15%	46.27%	45.95%
CD20	A more compact, more effective Merced/Stanslaus district More compact, more effective Bakersfield / Kings district More compact, more effective Coalinga/SW Fresno AD with a small part of NW Tulare County.	50.63%	50.34%	52.34%	50.64%
AD17		34.94%	34.78%	36.91%	36.86%
AD30		46.88%	46.67%	47.14%	46.89%
AD31		53.10%	52.96%	55.67%	55.05%
