A second send, I want a reply and more importantly, Wrightwood needs to be placed within geographic, political, economic and since you are so worried about ethnic, Ethnic boundaries of its neighboring communities in the Victor Valley area of San Bernardino County, NOT LOS ANGELES COUNTY.

Before you release you maps Friday, please re-consider what you have done to the community of Wrightwood. 4500 citizens who have everything to do with the Victor Valley of San Bernardino County. You have removed them from Congressional, State Senate and State Assembly districts that tie to the Victor Valley/San Bernardino County, and placed them in foreign constituencies "down the hill" (totally removed geographically from our community in the mountains).

I reviewed your meeting schedule in April and May and find that you have no hearings scheduled in Victor Valley or San Bernardino/Riverside. The only hearing locations are Norco and Lancaster, not necessarily "local." I and others concerned about our re-districting find this unacceptable.
