Re: San Bernardino Mountain Redistricting

To whom it may concern:

As a business owner and resident of Crestline I strongly oppose separating this community, Crestline, from the rest of the Mountain areas. A splitting off of one Mountain community from the others weakens the remaining Mountain areas and severely jeopardizes the well-being, both in economics and infrastructure. Crestline would the odd-community out if it is forced to be part of a totally different locale.

Please let Crestline remain part of the Mountain Assembly District.

Respectfully,

Jack Winsten
