Subject: Map of Redistrict

Message Body:

I've just learned that you have change the initial map created on June 2nd to the new map that divided our voting block for the Vietnamese community. We do need to have a representative and with the new map there are no way we can have any seat. We are happy with district drawn for Little Saigon on June 2nd and please keep this district to protect our voices. Thank you so much for your help.

Thuy Hoang

Subject: Are you planning to combine two congressional districts into one?

Message Body:

Are you trying to make all of the Rohrabacher and Sanchez congressional district into one district plus an extra area? Congressman Sanchez will probably sue to stop this. Sanchez would lose 55% to 45% in a combined US Congressional district because Palos Verdes, CA. is in Rohrabacher's district.

Subject: Commissioner Blanco

Message Body:

It appears that Commissioner Blanco cannot get past her own political ideology and is constantly trying to cause the elimination of Republican Commission members. I feel she should be asked to leave her position on the Redistricting Commission since she appears to be incapable of addressing redistricting in a unbiased nonpartisan manner.
