Subject: reassignment

Message Body:

I strongly object to assigning Los Alamitos and Rossmoor to the Long Beach congressional district. The reason for this move is unclear since we have NO community of interest with the proposed Long Beach district. Furthermore, we are located in Orange County not Los Angeles county. A Long Beach representative would have no interest in representing us. Congressman Ed Royce and his predecessors who have been a long time supporters of Rossmoor and Los Alamitos have been very effective in representing us. Please don't change our congressional district boundary."

Subject: Redistricting map to move Los Alamitos/Rossmoor

Message Body:

I am oppsed to the redistricting of Los Alamitos/Rossmoor from Congressman Royce's district to congresswoman Richardson's district. First of all, we are in Orange County, while Long Beach is in LA County. We have no common interest in county issues, nor do we share commonality on city or local issues at all. Congressman Royce has been our congressman for many years and is familiar with, and active in, our community. Councilwoman Richardson is unfamiliar with our community and it's issues and has no ties to, nor interest in, our communiity or it's issues. This is a very bad idea and I want it known that I, and the majority of citizen's in our community, are against this change.

Subject: Redistricting of Rossmoor & Los Alamitos to Long Beach District

Message Body:

I understand that there is a proposal to move Rossmoor and Los Alamitos (currently in Ed Royce's district) to the Long Beach district. The reason for this move is unclear since Rossmoor and Los Alamitos have no community of interest with the proposed Long Beach district. Additionally, Ed Royce has represented Rossmoor and Los Alamitos for many years and I have been pleased with the representation that Ed has provided us. Furthermore, Rossmoor and Los Alamitos are in Orange County, while Long Beach is in Los Angeles County. Rossmoor, which is unincorporated, receives its services through Orange County, not Los Angeles County - moving Rossmoor to a district in a county that does not have an interest makes little to no sense. Please reconsider this proposed redistricting so that the communities of Rossmoor and Los Alamitos may continue to receive its right and proper representation in the Great State of California's legislature.

Subject: City of Fountain Valley Comments on 1st Draft Maps

Message Body:

Dear California Citizens Redistricting Commission,

As current Mayor of the City of Fountain Valley I am writing to express our concerns with the first round draft maps released by the Commission on June 10, 2011. The draft maps for the State Senate, State Assembly, and Congressional District show Fountain Valley moving from the current coastal districts where Fountain Valley is aligned, with the City of Huntington Beach, to a district that extends far inland. We are very concerned about this shift in our district alignment as we would lose the homogenous representation and common interests we currently enjoy in our districts and instead we will be grouped with communities with very different issues and concerns than us. Not only does the City of Fountain Valley share a border with Huntington Beach, this border is almost nonexistent as you cross from one City to the next as we are so integrated, sharing school districts, service organizations and neighborhoods.

In closing I would like to ask to you seriously reconsider the City of Fountain Valley's alignment in your second draft maps, and instead align us with the coastal district and City of Huntington Beach.

From: "Pamela McVicar" <[REDACTED]>

Date: Thu, 16 Jun 2011 08:45:10 -0700

To: <[REDACTED]>

Dear Citizens Redistricting Commission Members:

As a Director and Vice President of the La Habra Heights County Water District, and Past-President of the La Habra Heights Improvement Association, I would like to thank you for the work you have done on the proposed State Assembly and Senate Districts for La Habra Heights in the First Draft. I reviewed the districts that are being drawn by and it seems to me that the State Assembly and Senate Districts boundaries are a good fit for us, but the lines drawn for our Congressional District are problematic. Our interests coincide more closely with Los Angeles County cities such as La Mirada, where the La Habra Heights County Water District has significant operations. In addition, our city councils have been very involved with Whittier, La Mirada and Downey since La Habra Heights incorporated in 1978.

I request that you reconsider the lines drawn for our proposed Congressional District. If you could align the Congressional District more closely to the cities that were included in the State Assembly and Senate District, it would make a much better working arrangement for all of us.

Thank you for the work you are doing, and thank you for considering my request during the public comment phase of the redistricting process.

Regards,

Pam McVicar

Vice President, La Habra Heights County Water District

RE: Redistricting/Public Input Hearings

To whom it may concern,

Please find attached my statement that our city -Fountain Valley-does not share a "Community of Interest" with the City of Santa Ana.

We do however share a "Community of Interest" with the City of Huntington Beach for the following reasons:

- 1.) We share the same Orange County Sanitation District.
- 2.) We share many of the same School Districts.
- 3.) We share many of the same Cultural and Community Service Clubs (Rotary, Kiwanis, etc.).
- 4.) We also share many of the same sports leagues and teams.

For this reason we ask that we be included in upcoming redistricting maps with the City of Huntington Beach.

Thank you for your consideration.

Sincerely,

Mark McCurdy
Fountain Valley City Council

Citizens Redistricting Commission
901 P Street, Suite 154-A
Sacramento, CA 95814

Dear Citizens Redistricting Commission:

While in Washington, D.C., on June 15, I had a meeting with Congressman Dana Rohrabacher who has very strong concerns about the proposed redistricting by the California Citizens Redistricting Commission. As presently constituted, the Commission has taken Fountain Valley out of Congressman Rohrabacher's District. May I add my concerns to those of Congressman Rohrabacher, as I am likewise personally concerned.

It is my understanding that the new district lines are intended to group cities and communities of mutual interest. In that regard, Huntington Beach and Costa Mesa are much more similar to Fountain Valley than any of the proposed communities in Congressman Rohrabacher's new district.

I realize this is an initial run at the new boundaries. However, I implore you to keep Fountain Valley in Congressman Rohrabacher's district. Thank you for your consideration.

Sincerely,

Larry R. Crandall
Council Member

RE: Redistricting/Public Input Hearings

To whom it may concern,

Regarding the Citizens Redistricting Commission hearing, I would like to state as a Councilmember of Fountain Valley, that our city -Fountain Valley-does not share a "Community of Interest" with the City of Santa Ana.

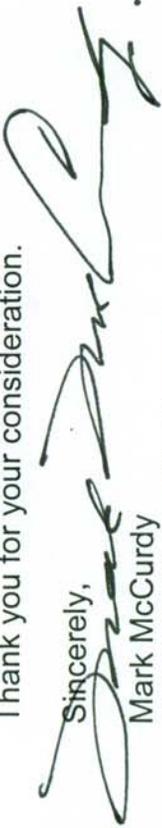

We do however share a "Community of Interest" with the City of Huntington Beach for the following reasons:

- 1.) We share the same Orange County Sanitation District.
- 2.) We share many of the same School Districts.
- 3.) We share many of the same Cultural and Community Service Clubs (Rotary, Kiwanis, etc.).
- 4.) We also share many of the same sports leagues and teams.

For this reason we ask that we be included in upcoming redistricting maps with the City of Huntington Beach.

Thank you for your consideration.

Sincerely,

Mark McCurdy

Fountain Valley City Council

RESOLUTION NO. 11-06-13-02

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF DANA POINT, CALIFORNIA, OPPOSING ANY PROPOSED REDISTRICTING PLAN THAT SPLITS THE CITY AND/OR PLACES THE CITY OUTSIDE OF THE DISTRICT INCLUDING OTHER SOUTH ORANGE COUNTY CITIES

The City Council of the City of Dana Point does hereby resolve as follows:

WHEREAS, on June 10, 2011 the California Citizens Redistricting Commission released maps showing a proposed new redistricting for State Assembly and Senate Seat purposes; and

WHEREAS, the proposal divides the City of Dana Point creating two districts within its geographical boundaries; and

WHEREAS, the City Council is opposed to any redistricting which divides the City; and

WHEREAS, the City Council believes the City should be included, in its entirety, in the same districts for Assembly and Senate Seat purposes as the rest of what is traditionally considered to be South Orange County based upon the similarity of issues, and historical working relationships the City has with such other South Orange County cities.

NOW, THEREFORE, BE IT HEREBY RESOLVED by the City Council of the City of Dana Point as follows:

SECTION 1. The Council hereby formally opposes the redistricting proposal released on June 10, 2011 and any other proposal by which the City is split into multiple districts.

SECTION 2. The City Council hereby formally opposes the redistricting proposal released on June 10, 2011, and any other proposal by which all, or any part of the City is not included the same Assembly and Senate districts as most, if not all, of the cities traditionally considered to comprise "South Orange County" are located.

SECTION 3. The Mayor and City Manager, and/or their designees are hereby authorized to send letters and or appear at meetings, and participate in such other lawful activities as they deem necessary and appropriate to advocate the above noted positions on behalf of the City.

PASSED, APPROVED AND ADOPTED at a regular meeting of the City Council of the City of Dana Point, California, held on this 13th day of June, 2011, by the following vote, to wit:

AYES: Council Members Bartlett, Brough, Weinberg, Mayor Pro Tem Anderson, and Mayor Schoeffel

NOES: None

ABSENT: None

J. Scott Schoeffel, Mayor

RE: City of Fountain Valley Comments on First Draft Redistricting Maps

Dear Citizens Redistricting Commission Members:

As current Mayor of the City of Fountain Valley, I am writing to express our concerns with the first round draft maps released by the Commission on June 10, 2011. The draft maps for the State Senate, State Assembly, and Congressional District show Fountain Valley moving from the current coastal districts where Fountain Valley is aligned with the City of Huntington Beach, to a district that extends far inland.

We are very concerned about this shift in our district alignment, as we would lose the homogenous representation and common interests we currently enjoy in our districts and instead we will be grouped with communities with very different issues and concerns than us. Not only does the City of Fountain Valley share a border with Huntington Beach, this border is almost nonexistent as you cross from one City to the next, as we are so integrated, sharing school districts, service organizations and neighborhoods.

In closing, I would like to request you seriously reconsider the City of Fountain Valley's alignment in your second draft maps, and instead align us with the coastal district and City of Huntington Beach. Thank you for your consideration.

Sincerely,

Steve A. Nagel
Mayor

Honorable Chairman
Citizens Redistricting Commission
901 P Street
Suite 154-A
Sacramento, California 95814

Re: City of Dana Point ("City") Comments on the
Citizens Redistricting Commission's ("Commission")
First Draft of State Senate and Assembly District Maps

Honorable Chairman:

At its June 13, 2011 meeting, the Dana Point City Council ("DPCC") voted unanimously to object to certain state Senate and Assembly district boundaries proposed in the Commission's first draft of the district maps ("First Draft"). As part of that action the DPCC also unanimously approved the attached Resolution, which opposes any state Assembly or Senate redistricting plan that would (a) divide the City geographically and/ or (b) place the City outside of any state Senate or Assembly districts that do not include our neighboring south Orange County cities.

The DPCC strongly feels that our entire city should be grouped with other south Orange County cities for state Senate and Assembly purposes because of the common issues these cities face as well as the strong working relationships and cooperative arrangements they have developed over many, many years. Shared issues include, but are by no means limited to, ocean water quality, regional transportation at both the local (Orange County Transportation Authority) and state (Caltrans) levels, regional land use planning and affordable housing.

On behalf of the DPCC, I would strongly and respectfully request the Commission to reconsider the state Senate and Assembly district boundaries proposed in the First Draft in view of the City's comments set forth above. If I or our City Manager, Doug Chotkevys, can be of any further assistance or answer any questions, please do not hesitate to contact us at [REDACTED]

Sincerely,

J. Scott Schoeffel
Mayor

Subject: Congressional districts

Message Body:

I live in Rossmoor, an unincorporated part of Orange County adjacent to Long Beach. Thank you for drafting the proposed congressional district including eastern Long Beach and western Orange County. This is a natural reconfiguration that acknowledges the close connections between these communities and corrects the obvious gerrymandering of Congressman Royce's district.

Subject: Redistricting Rossmoor and Los Alamitos

Message Body:

The latest redistricting map under consideration removes Los Alamitos and Rossmoor from our current Orange County Congressional seat, and moves them into the rather large Long Beach district.

If the purpose of the redistricting is to "balance" districts and discourage political party gridlock, how does taking 22,000 citizens of a different demographic and forcing them into Long Beach's 450,000 constituents help resolve the issue? It doesn't. If the commission cannot see this - they must be under another political priority.

There are so many other issues to boot - such as moving orange county residents into an LA county and Long Beach City district. There are so many holes in this proposal - and there doesn't appear to be any logic.

We elected the commission to be smart, apolitical and free of bias...you can do better. We expect better.

Subject: Proposed Reassignment of Rossmoor and Los Alamitos to a Long Beach Congressional District

Message Body:

I strongly object to assigning Los Alamitos and Rossmoor to the Long Beach congressional district. The reason for this move is unclear since we have NO community of interest with the proposed Long Beach district. Furthermore, we are located in Orange County not Los Angeles county. A Long Beach representative would have no interest in representing us. Congressman Ed Royce and his predecessors who have been a long time supporters of Rossmoor and Los Alamitos have been very effective in representing us. Please don't change our congressional district boundary.

Subject: Oppose Splitting Dana Point

Message Body:

We are called the tri-cities, of Dana Point, San Juan, and San Clemente, for a very good reason. Our civic interests are very much aligned. To split Dana Point, where my wife and I make our home, with a portion sharing a district with coastal communities as far north as Huntington Beach, would be unfortunate. Historically, we opposed the El Toro airport, as a united city. We have no shared interest with Newport Beach, which supported the airport, certainly not Huntington Beach, other than the fact we share the coastline. Dana Point should be configured, if at all possible with our sister, tri-cities. But for goodness sakes, in any event, do NOT split our small and united city between two districts!

Subject: Oppose Splitting the City of Dana Point

Message Body:

I am a long term resident of the City of Dana Point and strongly oppose splitting the City into two districts.

Dana Point must remain whole and placed into a district consisting of South Orange County cities that share the same quality of life, issues and concerns. Splitting the city makes absolutely no sense and is a huge disservice to the residents of the city. We need one voice to represent us within the state government.

The idea of placing half of our city into a district with Huntington Beach, a community that is over 20+ miles away is nonsense and a disservice to those who you represent. Dana Point needs to be represented by one person who understands and supports the need of our residents along with those surrounding communities such as San Juan Capistrano and San Clemente. We are called the tri-cities for a reason as we share like issues, concerns and a coastal way of life.

Again, I strongly oppose splitting Dana Point and believe we need to be represented by one person. We also need to be within a district of like minded cities such as San Juan Capistrano and San Clemente.
