Please do not split Sherman Oaks in half by using Ventura Blvd. as a dividing line for our Congressional District. We are a unified subpart of the San Fernando Valley. Half of our community should not be combined with the Westside neighborhoods "over the hill" whose interests are different from ours. IDG

To Whom It May Concern:

Please do not divide Sherman Oaks into two Congressional Districts. We are a close-knit neighborhood that has strong community interests. It is in the best interest of the Sherman Oaks residents to keep our district intact.

Dear Commission Members,

As a 34-year-resident of Sherman Oaks, I am opposed to splitting Sherman Oaks. The proposed area to be separated is between Ventura Blvd and Mulholland Drive which is clearly part of the San Fernando Valley. Making this change would severely disrupt the community I call home.

Thank you for your consideration,
Andrew Achen

To whom it may concern:

I live in Sherman Oaks, California. It is my understanding that your committee may be dividing our community right down the middle, to be represented by different congressmen/women. Please don't do this. We all send our kids to the same schools, go to the same churches and temples, shop at the same supermarkets. The dividing line for our district should be Mulholland Drive, not Ventura Blvd. Please make sure that whoever represents us knows and understands us, as a whole community.

Sincerely,

Good Morning!

In the interest of preserving this community I urge you to not split S.O. It's been difficult enough to keep us from many other assaults and continue S.O. as a place YOU would like to live.

Thank you,

Gail Reisig

Please keep Sherman Oaks together. We are a close knit community and having multiple representation on City Council is tough enough. Please do not split our Congressional District.

Respectfully,

Candise Kovacevich
