Subject: I Support Keeping the Santa Clarita Valley Whole!

Message Body:

Commissioners:

Do not split the City of Santa Clarita into two separate congressional districts. Please add the community of Newhall into the Antelope Valley - Santa Clarita Valley congressional district.

Thank you.

Subject: Newhall, CA - redistrict objection

Message Body:

Subject: I Support Keeping the Santa Clarita Valley Whole!

Message: Commissioners:

Do not split the City of Santa Clarita into two separate congressional districts. Please add the community of Newhall into the Antelope Valley - Santa Clarita Valley congressional district. Our community in Newhall is not contiguous with the San Fernando Valley. Newhall voters/constituents have entirely different issues and concerns and should remain with the Santa Clarita Valley district, which is the City within which Newhall is located.

Thank you. Michael G. Evans

Subject: Re-districting

Message Body:

Do NOT split the Santa Clarita Valley by incorporating some of the most southern portion of the SCV Valley and SCV City into the San Fernando Valley. The latter is removed from our SCV by a mountain range, and this "split" in our voting district only makes our area an "orphan".

Thank you,

Tom and Jane Hanson

Subject: Keep the Hollywoods Together

Message Body:

Your draft maps split the Hollywood area terribly. It makes no sense for the Hollywood Hills to be in one district, Los Feliz and Silver Lake in another, the Hollywood flats in yet another, and North Hollywood in yet another.

I write to urge you to keep the neighborhoods adjacent to Griffith Park and the neighborhoods that comprise Hollywood in the same state legislative districts. We have the same issues!

Just a few years ago, we banded together to lobby local officials and the state after our community was nearly devastated by the Griffith Park Fire. We need this togetherness to speak with one voice!

90046, 90068, 90027, 91608, 91602, 90028, 90029, 90038, 90039, 91505, 91506, 91604 should be in one district.

Subject: congressional district Antelope V-Santa Clarita

Message Body:

Hello,

I have lived in the Antelope Valley since 1981, graduating from Littlerock High School in Littlerock, attended AVC and returned to work as a public school teacher in the Lancaster School district for the past 7 years. Lancaster and Palmdale share many of the same challenges and residents move frequently between the two cities. These two cities make the Antelope Valley, when one thinks of the Antelope Valley these two cities come to mind, these two cities must work, are working and will work together to prosper and increase the quality of life for their residents.

I do not understand why Lancaster has been mostly cut off from Palmdale in this district. I and most of the people I know have less in common with the cities of Moore Park and Simi Valley than we have in common with Lancaster. The geographic boundary of the AV should take precedence, we are bound together in the high desert, our congressional Representative should be bound to that as well. Please unite Lancaster and Palmdale into the same congressional district instead of splitting Lancaster into two.

Subject: LASGGF

Message Body:

You have done a good job in drafting most of this Foothills Senate District. There is a real community of interest in Glendale, Burbank, La Crescenta, La Canada, Pasadena, Altadena and Sierra Madre.

But one change should be made and really cries out to be made. The district lines extend into San Bernardino County(while almost all the district is in LA County) and include Upland. At the same time you exclude Arcadia, which is next to Pasadena and Sierra Madre. Upland should be dropped and Arcadia added in its place. Just look at the map, it is only logical to do this and would enhance, not distract, from the strong community interests displayed in the Foothills communities.
