Subject: Topanga should stay in "westside" district

Message Body:

I live in the unincorporated area of Topanga and work and shop in Calabasas. My children go to school in the Westside where we play. I proudly consider myself both a Valley and Westsider. Great job on the Assembly Districts-"West Side-Santa Monica Mountains" and "Thousand-Oaks- Santa Monica Mountains". Collectively these districts share much in common and would make a great Senate District and meet the Commission's goals and criteria.

However, you have chosen to divide this area noting it as "LASCV" and by doing so separatating it from the contiguous West Side-Santa Monica district and joining it with Santa Clarita, a community of NO interest, which by the way is the opinon held by both the City of Sta Clarita and communitis of the two proposed Sta Monica Mountains Assembly Districts.

Please consider revisiting Senate District LASCV and nest these Santa Monica Assembly districts within a Senate District renoted as "Santa Monica Mountains/Bay-West Side".

Thank you for your service,

Patrice Curedale

I live in the unincorporated area of Topanga, work downtown and shop in Malibu and the Westside. My children go to school in Topanga and play soccer and baseball in Malibu. In 31 years of living in Los Angeles County I have always considered myself a Westsider. In my view, your proposed Senate districts should mirror your Assembly Districts-"West Side-Santa Monica Mountains" and "Thousand-Oaks-Santa Clarita." In my view, these districts share much in common and would make a great Senate District and meet the Commission's goals and criteria. Your LASCV district ignores the connectivity of Topanga with the westside and links it to Santa Clarita, which has no connection with Topanga whatsoever.

Please consider revisiting Senate District LASCV.

Thank you for your service,

Tim Silvestre, Bowers Drive, Topanga

I live in the unincorporated area of Topanga and work and shop in Santa Monica and the West LA area. I want to thank you for the great job on the Assembly Districts-"West Side-Santa Monica Mountains" and "Thousand-Oaks- Santa Monica Mountains". Collectively these districts share much in common and would make a great Senate District and meet the Commission's goals and criteria.

However, you have chosen to divide our area and by doing so separatating it from the contiguous West Side-Santa Monica district and joining it with Santa Clarita, a community with a vastly different interest and geography.

Please consider revisiting Senate District LASCV and nest these Santa Monica Assembly districts within a Senate District renoted as "Santa Monica Mountains/Bay-West Side". I appreciate you taking the time to consider my request and thank you for your service

I live in the unincorporated area of Topanga. I work, exercise, and shop in Calabasas. I proudly consider myself both a Valley and Westsider. It is perfectly done, the Assembly Districts-"West Side-Santa Monica Mountains" and "Thousand-Oaks- Santa Monica Mountains". Collectively these districts share much in common and would make a great Senate District and meet the Commission's goals and criteria.

However, choosing to divide this area noting it as "LASCV" is separating it from the contiguous West Side-Santa Monica district and joining it with Santa Clarita, a community of NO connection with ours, which is the opinion held by both the City of Santa Clarita and communities of the two proposed Santa Monica Mountains Assembly Districts.

Please consider revisiting Senate District LASCV and nest these Santa Monica Assembly districts within a Senate District re-noted as "Santa Monica Mountains/Bay-West Side". Thank you for your service,
