Message Body:

I strongly believe it is a senseless and denigrating ploy to split the vote of the citizenry of Lompoc in this fashion. We and Vandenberg Village, Mesa Oaks and Mission Hills are one community. Treat us as ONE.

Subject: Lompoc as the only "split represented" town in California redistricting

Message Body:

Treat Lompoc the same as you treat every other city in California for redistricting. That is, do not have Lompoc as the only city split into two different districts for state senate and state assembly representation. Please be consistant and keep our town intact under redistricting

Subject: Lompoc redistricting

Message Body:

I am unable to understand why the commission decided to cut Lompoc in half for it's state representation. This is completely inconsistent with the guidelines to keep cities and communities intact. Santa Ynez, Solvang and Buellton have closer ties to Santa Barbara city than Lompoc does. Why someone said they have a greater tie to Santa Maria than Santa Barbara is a mystery to me. More people commute from those three areas to Santa Barbara than to Santa Maria. Please rectify this abysmal gerrymandering. Keeping communities intact is what the commission is supposed to be doing.

thank you, cathy gregory

Message Body:

I do not agree with splitting Lompoc into two areas. The City of Lompoc, Vandenberg Village, Mission Hills and Vandenberg Air Force Base should be in the same district represented by one person. Our interests are more in line with Santa Barbara and San Luis Obispo counties.

Please do not split our community.
