Keep the City of Lompoc whole - we are small enough and do not need a split!

Subject: Do not split Lompoc into 2 state Assembly/Senate districts

To whom is voting to split Lompoc's district for voting.

Please don't takeaway our voice. As it is, small communities and citizens themselves have little visibility in the processes that affect us. We are slowly becoming invisible to the constituents that represent us. And our voice in matters that affect our lives are not being heard due to the volume decreased by numbers. Please listen to our council members, mayor and citizens of Lompoc and do NOT split us up. If you don't hear this, you surely won't hear us in the future.

Sincerely,
Bart Bader

Message Body:

I am very much opposed to the redistricting of our city of Lompoc! Frankly, this is a dumb and destructive idea for our community!! Our town will strongly oppose this.
