Subject: redistricting of Thousand oaks

Message Body:

I am completly against any action to the redistricting of Thousand Oaks, for years Thousand oaks has been a stand alone community with no ties or influence from Los Angeles or the valley. Many residents of Thousand oaks left the Valley because of the influence Los Angeles. you will not get my vote for any redistricting.

Message Body:

Dear Commission,

I have lived in Ventura County for over 25 years. As a resident of Simi Valley for the last 9 years, I do not understand how you could possibly place Simi Valley and Moorpark in a Congressional District with cities in eastern part of Los Angeles County. These two areas have nothing in common.

East Ventura which includes Simi Valley, Moorpark, Camarillo, and all three areas of Thousand Oaks have many common economic, social and educational interests. These cities should not be split and placed in different districts.

Respectfully,

Verna Mandel

Subject: Thousand Oaks should not be cut in two

Message Body:

My husband & I moved to Thousand Oaks
25 years ago. We do not share views &
politics with Los Angeles, no less Palmdale. Do they care about OPEN SPACE
that rings Thousand Oaks? Do they care about the special needs of my 20 year old son
with Autism? How are we going to vote on services that affect us in Ventura County when
are vote counts in
L.A.? Do not cut our city in two.
