Greetings,

I would like to register my disapproval of the upcoming motion to Redistrict SD 12. CLCV believes this is not in the best interests of the overall health of the area and as a member for 20 years I have found their perspectives in these matters accurate.

Regards,

Les Oreck

Subject: 12th district lines

Message Body:

I strongly believe that each Senate and Assembly district needs to represent a cohesive region. Splitting the 12th Seant district across the Coastal Ranges will greatly weaken the representation for the San Joaquin Valley, which is already under-represented and under-funded.
