Subject: Redistricting of 12th

Message Body:

The coastal area is not in tune with the needs and desires of the Central Valley (i.e. San Joaquin Valley). They do not understand agriculture requirements. Our voice must be heard in unison with Valley constituents, not the coastal areas who are mostly very liberal. The Valley inhabitants are mostly very conservative.

I am not in favor of including the coastal area within our voting district. The mindset is not in collaboration with those of the agricultural area of the San Joaquin Valley.
