To whom it may concern:

My name is Christopher D. Hempleman, and I reside in a primary Republican Area, Stanislaus County.

I am a registered Republican, (that is only a personal choice,) and I strongly believe that our district and every district across the state and nation should try to make it fair for all.

Republicans have had the senate and legislature seats in my area for the past ten years.

I believe that we need to let other political parties have a chance to be elected!

So please try to redistrict so all political parties have a chance to serve public office.

Thank you.

Christopher D. Hempleman
