Message Body:

Please keep our representation representative of who we are. Monterey, San Benito, Santa Cruz, and South Santa Clara share last least one thing, tourism and agriculture. Our representative should addovate for us.

Subject: Please reinstate a Monterey Bay area State Senate district

Message Body:

The Assembly districts currently numbered as the 27th and 28th (CRC maps SCLARAWMONT and MONT, respectively) should be nested into a single Tri-County State Senate district including all of the counties of Monterey, San Benito and Santa Cruz and the southern portion of Santa Clara county.

Our communities of interest include the agricultural, educational and tourism sectors of our economy; the regional planning activities of the Association of Monterey Bay Area Governments; and the local media markets that serve our region.

Please reinstate a Monterey Bay area State Senate district, as we had for generations until the gerrymandering of 2001.

Message Body:

It makes absolutely no sense to attach Monterey County to Santa Barbara or Stanislaus/Merced, unless your purpose is to stifle the voice of Monterey, San Benito, and Santa Cruz counties by affiliating them with such geographically and socially dissimilar areas. They belong together, with the possible inclusion of South Santa Clara valley.
