Subject: San Lorenzo Valley part of Santa Cruz

Message Body:

I live in Ben Lomond and I feel that all of the San Lorenzo Valley communities including Felton, Ben Lomond, Brookdale, and Boulder Creek should be in the same districts as Santa Cruz since this is the city we most often associate with. I cannot determine from the maps on your website if this is the case. That is why I am sending this email to reinforce this point.

Message Body:

Dear Ms or Sir,

From my experience, a State Senate district that encompasses all of Monterey, San Benito and Santa Cruz counties, and the southern portion of Santa Clara county makes a lot more sense than some of the proposals before you now. I'm sure that others are advising you in various (possibly other) ways. Please be sensible! Give the central coast a voice!

Sincerely,
David Keenan

It only makes sense to keep our counties:
Santa Cruz, Monterey and San Benito in one
district, plus the southern area of San
Mateo. Thank you for taking this proposal
seriously.

The Assembly districts currently numbered as the 27th and 28th (CRC maps SCLARAWMONT and MONT, respectively) should be nested into a single Tri-County State Senate district including all of the counties of Monterey, San Benito and Santa Cruz and the southern portion of Santa Clara county.

Our communities of interest include the agricultural, educational and tourism sectors of our economy; the regional planning activities of the Association of Monterey Bay Area Governments; and the local media markets that serve our region.

Please reinstate a Monterey Bay area State Senate district, as we had for generations until the gerrymandering of 2001.”
