Subject: Congressional Districts

Message Body:

In reviewing the proposed congressional districts for Contra Costa County, I'm very much concerned about the change that would remove Richmond from George Miller's district. Rep. Miller has been a champion for Richmond and public education here. If the changes are approved as currently proposed the West Contra Costa School district would be represented by 3 members of the House of Representatives. Please restore Richmond to be part of George Miller's district.

Superintendent
West Contra Costa Unified
