Subject: Proposed North Coast District

Message Body:

The preliminary proposal for a north coast district stretching from the Golden Gate to the Oregon border does not make sense for the residents of that area. There is no common individual or business interests between the peoples of the southern most counties of Marin and Sonoma and those north of Sonoma. Combining all of Sonoma and Marin Counties into one district makes much more sense for the residents and voters of those counties. Adding Mendicino and the more northern counties to parts of these two (Sonoma and Marin) makes no sense to the residents and Voters who live and work in the two southern counties who have for years been part of one district.

Sincerely
R Smoke
