Subject: Redistricting

Message Body:

Seeing as how registered Democrats outnumber Republicans throughout California, redistricting will have little effect on the 40 year democrat rule in this state or in this county but...it might be a little fairer if the CRC drew up zip code lines or more compact areas of like interests. Wine growing. Industrial. Farming. Etc.. No matter what you come up with there will be plenty of us who will disagree with it.

Good luck.
