Hello CRC,

I looked at the proposed redistricting boundaries for the Central Sierra Foothills at "We Draw the Lines"

<http://wedrawthelines.ca.gov/maps-congress-1st-draft.html>

I concur with proposed boundaries as they are there.

The Central Sierra Foothills area or "Mother Lode" is distinctly a community of interests.

Good Work!

William W. Moore

Valley Springs, Calaveras County, CA 95252

I live in Calaveras county, and vote, and want it to be with the other two lode counties in the districts-  
thank you
