1. I support using the CCAG's (California Conservative Action Group's) new Congressional District maps which have been revised from those that were presented in Oakland in May and are being submitted by Tuesday's deadline.
2. In the East Bay, I support using the Oakland/East Bay hills as a natural dividing line between districts.
3. I support keeping Lamorinda, Walnut Creek, Clayton, the San Ramon Valley, the Tri-Valley/Eastern Alameda County cities of Dublin, Pleasanton and Livermore, as well as the Eastern Contra Costa communities of Antioch, Oakley, Brentwood and Discovery Bay in the same Congressional District.
4. I support a single Congressional District for San Joaquin County.
5. In the Assembly Districts, I support the 1st Draft maps approved by the Commission with regards to Central and Eastern Contra Costa County and Tri-Valley/Eastern Alameda County and thank the Commission for listening to our testimony and keeping Lamorinda, Walnut Creek, the San Ramon Valley and the Tri-Valley/Eastern Alameda County together in one Assembly District and nesting it in a State Senate District with the other Contra Costa County Assembly District.

*Danville, Contra Costa Resident*

Attn: Voters First Act

We urge you to accept the following:

1. We support using the CCAG's (California Conservative Action Group's) new Congressional District maps which have been revised from those that were presented in Oakland in May and are being submitted by Tuesday's deadline.
2. In the East Bay, we support using the Oakland/East Bay hills as a natural dividing line between districts.
3. We support keeping Lamorinda, Walnut Creek, Clayton, the San Ramon Valley, the Tri-Valley/Eastern Alameda County cities of Dublin, Pleasanton and Livermore, as well as the Eastern Contra Costa communities of Antioch, Oakley, Brentwood and Discovery Bay in the same Congressional District.
4. We support a single Congressional District for San Joaquin County.
5. In the Assembly Districts, we support the 1st Draft maps approved by the Commission with regards to Central and Eastern Contra Costa County and Tri-Valley/Eastern Alameda County and thank the Commission for listening to our testimony and keeping Lamorinda, Walnut Creek, the San Ramon Valley and the Tri-Valley/Eastern Alameda County together in one Assembly District and nesting it in a State Senate District with the other Contra Costa County Assembly District.

TO: Citizens Redistricting Commission

Subject: Redistricting

I am very much against the potential decision of putting San Ramon into a Congressional District with Fremont, Newark, Union City and Hayward and putting Dublin, Pleasanton, and Livermore into a Congressional District with San Jose that some grassroots volunteers reportedly are strongly recommending .

I support using the CCAG's (California Conservative Action Group's) new Congressional District maps which have been revised from those that were presented in Oakland in May and are being submitted by tomorrow's (Tuesday's ) deadline.

In the East Bay, I support using the Oakland/East Bay hills as a natural dividing line between districts.

I support keeping Lamorinda, Walnut Creek, Clayton, the San Ramon Valley, the Tri Valley, Eastern Alameda County cities of Dublin, Pleasanton and Livermore, as well as the Eastern Contra Costa communities of Antioch, Oakley, Brentwood and Discovery Bay in the same Congressional District.

I support a single Congressional District of San Joaquin County.

In the Assembly Districts, I support the 1<sup>st</sup> Draft maps approved by the Commission with regards to Central and Eastern Contra Costa County and Tri-Valley/Eastern Alameda County.

My personal thanks to the Commission for listening and considering my views and opinions with regards to Central and Eastern Contra Costa County and the Tri- Valley/Eastern Alameda County's. Thank you also for considering my thoughts with regard to keeping Lamorinda, Walnut Creek, The San Ramon Valley and the Tri-Valley/Eastern Alameda County's together in one Assembly District thereby nesting it into a State Senate District with the other Contra Costa County Assembly District.

Thank you for your dedicated service to our state and our communities.

Sincerely

Richard W. Seavey
