I Support The Coalition of Suburban Communities for Fair Representation!

Commissioners:

I am writing with recommendations on the first draft Assembly and Senate maps.

The Assembly seats are done correctly, keeping our community of east Ventura County together. Camarillo, Moorpark, Simi Valley and Thousand Oaks are included in this district. Should you change anything in east Ventura County, please include the entire city of Thousand Oaks in the district, and consider removing the city of Oxnard so it can be kept whole in a coastal district.

The State Senate seat should be changed. By changing the nesting of districts, you can keep like communities together, in line with community of interest testimony you have received.

Instead of nesting Santa Clarita with Malibu, you should nest Santa Clarita's Assembly seat with East Ventura County.

Keeping Camarillo, Thousand Oaks, Moorpark and Simi Valley connected to Santa Clarita in a Senate seat will keep inland valleys together and better represented. Historically, for over 30 years, these areas have been connected in a Senate seat.

Connecting east Ventura County areas to the coast divides both the inland and coastal populations. Please keep our inland suburban valleys connected by nesting Santa Clarita with East Ventura County.

Thank You.
