Ladies and gentlemen,

When adopting a final redistricting map, I hope you will accept the advice I offered you earlier to keep my community, City Heights, united. Draft maps had moved one of our neighborhoods, Corridor, out of City Heights and added it to someplace else where it shouldn't be. I ask you to give it back to us. We're a community-of-interest, one that should not be broken apart.

Thank you,

Jim Varnadore
