Subject: Where's the 2nd Draft

Message Body:

I heard that you were going to put out a revised draft map on July 28th but I don't see it on your website.

I am anxious to see that you rethought your gutting of Central San Diego and kept us together as a unit, at 1.3 M we make almost a Senate district, and Assembly & Congress can be made out of Northern and Southern portions of the city. Thank you.

Subject: North/South Central San Diego

Message Body:

I continue to be unhappy with your latest map which cuts up North & South Central San Diego and does not keep them together. You are still cutting up our City District of North Central San Diego and putting us, an urban core, with North County suburban, diluting our representation. Also, to make the bigger area, we should be put with South Central San Diego urban.

Subject: Assembly District

Message Body:

A portion of Greater Golden Hill has been placed in a district south of HWY94 - a geographic boundary.

We prefer to stay with the rest of our neighborhood.

Subject: UCSD SPLIT??!??!?!?

Message Body:

I know you are releaseing the finals maps tomorrow, but seriously? ARE YOU SPLITTING UCSD? If UCSD isn't a community of interest, I don't know what is. PLEASE put the whole campus in just one district.
