To State Redistricting re 2nd draft map:

Congress (700K) - The central city area of San Diego has 1.3 M people, enough to make a 700K district excluding the north city suburbs north of 56, and coastal areas west of 5.

My central district of Clairemont-Linda Vista should not be with extra-city cities of Poway and coastal affluents of La Jolla and Point Loma.

Please delete Poway and Coronado and add Linda Vista and Serra Mesa, should be Central San Diego City.

Senate (900K) - This map is the best of the 3, it covers most of central San Diego city of 1.3M, but excludes some central and adds some extra-city affluent coast cities.

Please add South Central San Diego (North Park et al) and delete Del Mar and Coronado, should be North and South San Diego City.

Assembly (450K) - This map is most objectionable to me. It takes my central San Diego city and puts it with Northern and Eastern suburban county areas.

Please delete Scripps Ranch, please add Linda Vista and Serra Mesa, should be North Central San Diego to nest within the Senate district of North and South Central San Diego City.

Thank you.
