From: Janet Pfeiffer <[redacted]>  
Subject: First Draft Maps for Assembly,Senate and Congress

Message Body:

These maps are better than those of 2001. They more correctly reflect the interests of the citizens of the Coachella Valley and satellite areas like Sky Valley where I live.

The process was interesting and I can see that you all have been interested in reflecting our needs and wishes as much as possible.

The process was interesting.

Thank you for your work and congratulations on producing a fine product.

Janet Pfeiffer  
Sky Valley, CA
