Subject: Redistricting Riverside Sphere of interest areas into Murrieta and Temecula

Message Body:  
I am opposed to the current redistricting of residents that live right outside the City of Riverside, Have a Riverside mailing address, a 92503 mailing code being lumped into Murieta and Temecula. All of our dealings are with Riverside and we have no interface in that area. I feel this is gerrymandering the voters at the expense of our common interests
