Subject: taking parts of Upland and N/West rancho Cucamonga out of the present district

Message Body:

I am asking that the part of R.CC that i live in (N/West) will stay in the district that it is in and not be included in the L.A./ Pasadena area. I want to keep Mike Morrell (63rd) assembly in our district.

Subject: redistricting of Rancho Cucamonga

Message Body:

Please do not include Rancho Cucamonga in the Los Angeles area for this new redistricting plan!!! We have nothing to do with Los Angeles County and have always enjoyed being able to communicate with our representative who knows and is familiar with our area! Please DONT DO THIS. You will be throwing the people of RC under the bus if you continue with this action.

Subject: Assembly Redistricting

Message Body:

Please allow us to continue to be joined to Rancho Cucamonga and San Bernardino County. We will not be adequately represented by the district you are proposing. Please do not divide up Rancho Cucamonga because it will not be good for the representation of the City or Rancho Cucamonga.

Subject: Rancho Cucamonga Redistricting

Message Body:

Please don't redistrict Rancho Cucamonga (partial) and Upland into L.A. County. I see no upside and only adversity to the needs of all citizen's of our cities.

Subject: Redistricting Changes

Message Body:

I just learned I live in an area of Rancho Cucamonga (north of Lemon Ave. & west of Haven Ave.) that is planning on being cut-off and included with another district in LA County (Pasadena, Monrovia, etc.). This is crazy! It makes no sense. Please keep Rancho Cucamonga together as one district and do not divide us - we will not be properly represented. Thank you.

**Subject:** Redistricting Lines Don't Make Sense

Message Body:

I viewed the proposed redistricting lines for the area I live (Upland) and I do not like what I see. Since Upland & Rancho Cucamonga belong in San Bernardino County, I want to see them being represented by someone in San Bernardino county, not by someone from LA County. It is my opinion that you should not be crossing county lines. I do not want to be represented by someone from the Los Angeles area.
